COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 42W x 18D x 72H

Elegantly capturing the beauty of nature, this versatile cabinet infuses function with exquisite detail to create a dramatic centerpiece. Inspired by a stroll through the gardens of Villa Necchi Campiglio in Milan, it features delicate, mother of pearl accents cascading down the front of its tall, touch latch doors like flowers trailing from a trellis. Balanced on an ornate metal base, its clean, linear form adds a hint of shimmer in an ombre leaf finish. Offers ample storage for stemware and bottles, with a mirrored back, dimmable LED lighting, and a Mint-painted interior.
