**DIMENSIONS:**  $72W \times 44D \times 30H$ 

Our reinterpretation of the mid-century modern tulip table makes an eye-catching statement in a dining room, kitchen or sunroom window. Originally designed to remove the clutter of legs under a dining table, this piece boasts a curved, stem-like metal base in Whisper of Gold. This version has an oval, silver mirror top that is encapsulated in the metal base. Also available in Deep Bronze metal with a Bronze-tinted mirrored top.
