CONCENTRIC COCKTAIL TABLE

m101-419-403

COLLECTION: MODERN EDGE

DIMENSIONS: 23.5 dia x 15H

Bring a touch of the unexpected into your living space with the symmetrical beauty of this chic cocktail table. Its bold presence is achieved with a luxurious mix of materials, including a $\frac{3}{4}$ -inch thick Carcasta marble top supported by a metal base plated in Lucent Bronze. Designed to bunch, pair, or float within various living room settings, this distinctive circular side table is multifunctional at heart. Even its base conveys modern style with angular supports that offer a contemporary take on rustic construction. Pair this table with the coordinating M101-419-417 Side Table and M101-419-414 Accent Table to create unlimited combinations of layered circular forms.
